Dear Parents

The Grade R pupils had a splashing time swimming at school.

The Grade 3M pupils got creative, building 3D shapes in their Maths lessons.

Our Annual Soccer Day was a huge success, with pupils and families having lots of fun.

A reminder about the Grade 3 to 7 Inter-house Athletics Day this Saturday, 8 November. Please come and support.

Our Wellness Warriors started a Santa Shoebox drive and they are collecting items for a boys' and girls' children's home. Please see the enclosed information and contribute where you can.

Until next time!

Valentine

URGENT NOTICE: LIBRARY INVENTORY AND RETURN OF ALL BORROWED BOOKS

Dear parents and guardians, we would like to inform you that the school library will soon be undergoing a full inventory and stock take of all books currently housed on our shelves.

Before this process can begin, we urgently require all learners to return any books that have been issued to them from the library by the 11th of November 2025.

If any books have been left at a relative's home, in the car boot, or on a coffee table at home, please ensure that they are located and returned as soon as possible.

Please note that due to the upcoming inventory and stock take, the circulation and issuing of new library books ended on 23 October 2025. Weekly library class visits will continue as scheduled; however, learners will not be allowed to check out any new books until the process has been completed.

We appreciate your cooperation and assistance in helping us maintain an accurate and organized library collection.
