Dear Parents

February is the month of love, laughter and cricket at our school.

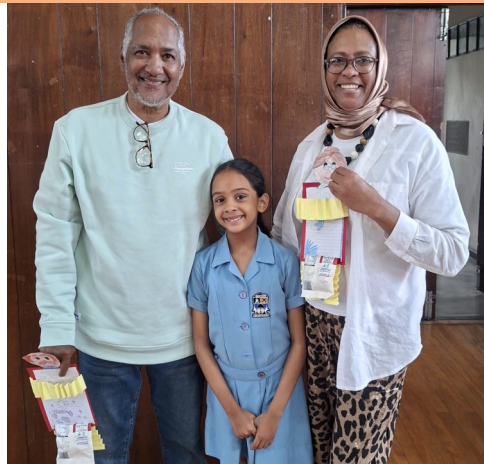

We started events with Grandparent's Day/Special Person's day, with the different grades showering their grandparents with their love. It was heart-warming to see the bond between our foundation phase pupils and their grandparents.

Our Grade 3 pupils got creative making Valentine's Day cards for their loved ones.

The U/9 mini-cricket stars represented our school at the KFC Mini-Cricket Festival at Newland Cricket Stadium last Friday. They made us proud with their skills and sportsmanship.

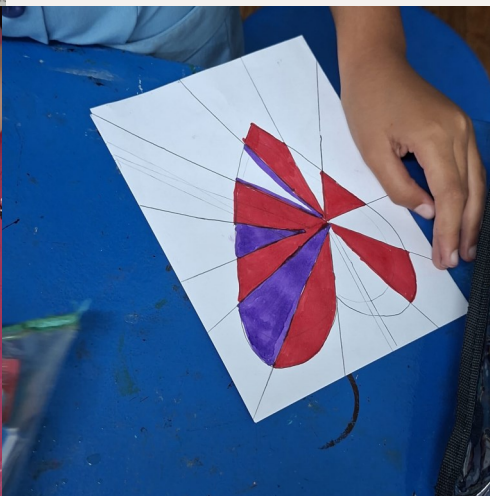

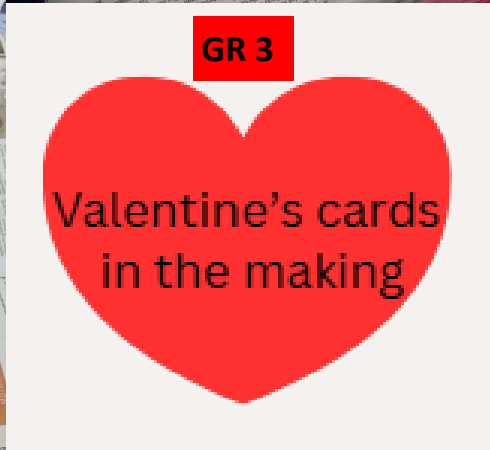

Until next time!
